The Centenary Committee are thrilled to offer all members the opportunity to purchase a copy of the Akaroa Golf Club history compiled by John Kelland.

We plan to produce a final print run later in 2022 and include any additional information that becomes available after our celebration weekend.

The final book will be bound (not spiral bound as our draft copies) and printed and bound to a high standard.

Our preview copies of Sprigs and Tees are available for review here.

If you have any additional information or photographs that are worthy of inclusion please get in touch with John Kelland, j.kelland@xtra.co.nz
